URBAN OUTDOOR

Inspired by the popularity of our Urban Indoor planter collection, we have designed a new selection of beautiful and contemporary Urban Outdoor planters. This new range is ideal for any modern exterior space and are all quality handcrafted from strong, durable and lightweight fibre-stone.

The image shows three white, cylindrical planters of varying sizes arranged on a light-colored stone ledge. The largest planter in the center holds a large, vibrant green plant with broad, pointed leaves. To its left, a medium-sized planter contains a clump of tall, thin, dark green grasses. To the right, a small planter holds a snake plant with its characteristic upright, pointed leaves. The background is a wall of irregular, light-colored stone blocks. A semi-transparent text box is overlaid in the upper right corner of the image.
